From (Name) P.H. Rama Reddi, Esq., I.A.S.,
(Designation) Director of Agriculture

To The Secretary to the Government of Madras,
Development Department.

Sir,

Reference: G.O. No. MS. 70, Development dated the 19th March 1938 and G.O. No. R. 102 Development dated the 27th February 1939.

*****

As per request of the Revenue Divisional Officer, Bellary, the Accountant-General was addressed in this office letter No. D. 1855/37 dated 4th March 1939 to place a sum of Rs. 60/- at his disposal at the Bellary Sub-Treasury for the payment of the award for the acquisition of land sanctioned in the Government Orders quoted above. But the Revenue Divisional Officer now reports that the Inspecting Tahsildar to whom the sub-division records were sent for technical

scrutiny has altered the extent from 1.21 acres to 1.61 acres and consequently the amount to be placed at his disposal towards the cost of acquisition has to be enhanced from Rs. 60/- to Rs. 75/-. A copy of the detailed statement received from him is, herewith, enclosed. I have the honour, therefore, to request Government to kindly accord revised sanction for acquiring an area of 1.61 acres at a total cost of Rs. 75/- and to address the Accountant-General to place the said sum at the disposal of the Revenue Divisional Officer at the Bellary Sub-Treasury. The expenditure can be met from the existing allotment under '40- Agriculture - Experimental Farms -- Agricultural Research Stations -- Contingencies - purchase of live-stock, deadstock and cost of land'.

I have the honour to be,

Sir,

Your most obedient servant,

K. Umi Krishnaiah 19.V.35

Ref;- Your Post Copy of Telephonic Message No.14397-III of 1939 dated 25th May 1939.

I herewith enclose a copy of letter No.C.820/39 D. dated 6th June 1939 received from the Revenue Divisional Officer, Bellary, and request that revised sanction may be accorded for acquiring an area of 1-80 acres at ~~the~~ a total cost of Rs.75/-.

GR.13-6.

(Copy of Letter No.C820/39 D. dated 6th June 1939 from the Revenue Divisional Officer, Bellary, to the Director of Agriculture, Madras).

Sub:- land acquisition- Hagari - Research Station- Encroachment.

The total extent to be acquired in Paramadevanahalli village for the agricultural Research Station at Hagari was shown as 1-40 acres in the draft notification under section 4(1) of the Land Acquisition Act and in the draft declaration under section 6. As the urgency clause was retained in the draft declaration, the area of 1-40 acres reported by the Revenue Inspector ~~of~~ was adopted for the purpose of Gazette publication without getting the subdivision records scrutinised by the Inspecting Tahsildar in the first instance as usual. Subsequently when the records were sent to the Inspecting Tahsildar for technical scrutiny he altered the

areas of S.Nos. 148.C/2 and 167 B from 0-01 acre and 1-20 acres respectively to 0-02 acre and 1-59 acres respectively. Thus it will be seen that the area of the two S.Nos. has been enhanced from 1-21 to 1-61 and the total extent of all the fields notified for acquisition has been altered from 1-40 acres to 1-80 acres. On account of this change in the total area to be acquired an errata to the draft declaration was submitted to the Collector and it was published at page 638 part I of the Fort St. George Gazette dated 23rd May 1939. I have intimated to you in my Ref. No. 820/39 dated 23rd April 1939 of the change in the total area to be acquired as a result of the Inspecting Tahsildar's scrutiny. No additional extent has been proposed for acquisition as only the actual extent occupied by the Research Station in the patta lands has been notified for acquisition.

3. With reference to the area of 1-40 acres as reported by the Revenue Inspector the cost of acquisition was estimated as Rs.60/- and accordingly an allotment of Rs.60/- was requested for. But as the extent to be acquired has been increased by 0-40 acre a total allotment of Rs.75/- may be provided for as already requested by me.
